# JASPER PLACE COMPOSITE HIGH SCHOOL

# OUR PLEDGE

We hereby pledge that we will uphold  
the good name and traditions of our  
school; that we will support its activities  
in all ways possible; that we will do all  
that is within our power to encourage  
the highest standard of character and  
scholarship; that we will be good  
citizens of Jasper Place Composite High  
School, of Edmonton and of Canada.

# ORIGIN OF SCHOOL CREST

In 1964, the **Highlights** and **Echo** jointly sponsored a survey of the Grade XII students, members of the first class to complete their high school in the first stage of the new Jasper Place Composite High School. The survey asked the students what they felt were the three words that best described the new school.

The words which appeared most frequently were Progress, Vigour, and words and phrases denoting Tenacity. These, then, were selected as most appropriate to the spirit of Jasper Place Composite High.

The committee, spearheaded by Mr. Mathew, then consulted Dr. Goerzen who gave us the Latin translation for tenacity as **Pertinacia**, vigour as **Vigor**, and progress as **Progressio**. These words are incorporated in the banner line at the bottom of the crest.

Mr. Al. Oeming, owner of the Alberta Game Farm and one of the world's leading authorities on animals, was asked to supply us with the names of the animals which would best depict our chosen characteristics. In consultation with the University, Mr. Oeming gave us the Grizzly Bear for the word tenacity, the Beaver for industriousness (the Beaver is also a Canadian symbol), and the Whooping Crane as the animal showing great progress. When one stops to consider the habits of these animals and their characteristics, one can certainly see that they are excellent choices.

These three animals were to be mounted around a shield upon which were to appear symbols of the purpose of the school! The top of the shield bears the Book of Knowledge; the top right, the Lamp of Knowledge; the lower right the Academic side of our school, and the lower left the Vocational aspect of Jasper Place Composite High School. The Vocational aspect in this instance includes all the Technical subjects including Business Education.

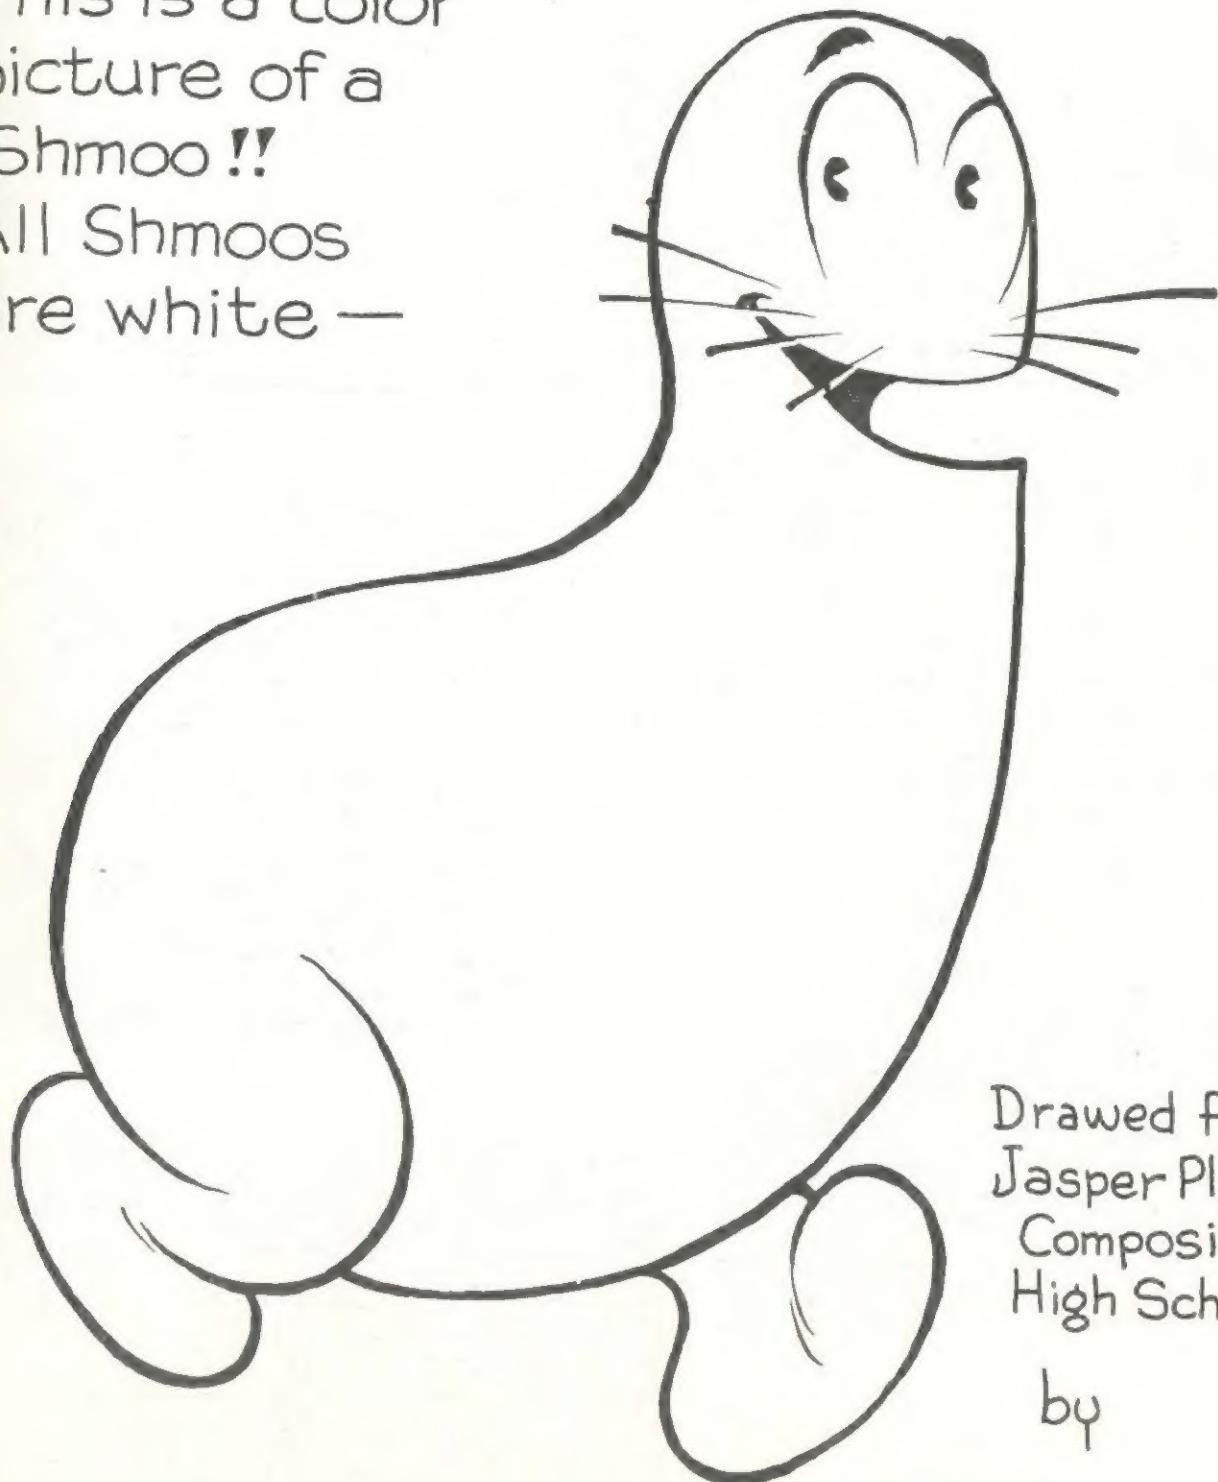

It was the intention to mount the beaver on a crown, the crown to symbolize our past heritage and ties with Britain and our present association with the British Commonwealth of Nations. Permission to use the crown must come from the Queen. Through her agents this permission was sought. Unfortunately our request was refused. We therefore mounted the beaver on another symbol of scholastic achievement, the mortar board.

Around the outside as decoration we chose to place fronds. The official Alberta flower, the wild rose, may be seen at the bottom of the shield.

The colors chosen for this crest include the school colors of red, white and black. The other colors of yellow and brown were added to give the necessary coloring to complete the crest.

MR. E. C. BAKER

Edmund Charles Baker ("Ted"), B.Ed. (I.A.) Alberta, completed his educational matriculation to Sandhurst Military College at the age of sixteen, after the groundwork had been laid at the High School, Nottingham — a flourishing twentieth-century British "public" school which has educated boys for seven centuries.

Canada, "the Land of Golden Opportunity", lured him in 1928 by promising a quarter-section for a ten-dollar down payment — an area of territory big enough for his very own airport! So, to the Peace River country came he and homesteaded; but despite his becoming a farmer, storekeeper, mail contractor, postmaster, school-board chairman, Commissioner of Oaths, and paterfamilias, all concurrently in the "dirty '30's", the results never yielded an airstrip on his homestead. Now he flies his own aeroplane from the runways of the Edmonton International Airport, and sails small yachts on big lakes.

With the Canadian Army from 1940 through '45, his experiences included that Normandy beachhead in June '44. A physically energetic life with electrical and communications equipment in military applications and civilian businesses was interrupted by very serious accidental injuries, so he returned to university in 1957, completing the baccalaureate program in '59. Since then he has been enjoying his continuing education at the hands of Alberta Teenagers, who are ably assisted by his wife — a school principal — and their three married daughters, all university graduates.

His chief frustration (often expressed emphatically) is that he never learned how to teach his pupils as much as they teach him. His greatest joys are: knowing that his letter of recommendation helped students into good jobs and rewarding vocations; and the pleasure (often sparkling, sometimes shy) with which former pupils walk up to him with a big smile and a hearty handshake, saying: "Hello Mr. Baker! I'm . . . , was in your class at . . . ! Remember? I'd like you to meet my wife (husband?), and for these children of ours to meet you."

# DEDICATION

MR. Z. EWASIUK

Mr. Zachary Ewasiuk, a long time member of the J.P. Staff received his B.Sc. and B.Ed. degrees from the University of Alberta.

He has a long career in teaching behind him, a total of 35 years, 14 of these at Jasper Place Composite High. With 15 years at Forestburg Consolidated School District he had 6 years at various centres in Alberta.

His hobbies tend to follow his career as he is interested in gardening, Greenhouse, growing of various flowers, the grafting of trees, but his main hobby is beekeeping and in particular research work with bees.

To show that he has diverse interests he has been a heavy equipment operator, and has tutored many students. He claims he is busier now than when he taught school.

Besides his varied hobbies Mr. Ewasiuk likes the outdoors and enjoys hunting in the fall and fishing whenever the opportunity arises.

His future plans? Well, he does intend to do some travelling, but he intends to pursue his hobby and interest in bees by continuing research with them particularly the tame honey bees.

From all of us at J.P. we say au revoir and enjoy your future and may they be happy, fruitful, and healthful years to come.

## PRINCIPAL'S MESSAGE

MR. E. MEYER

Each Senior Class has a personality and a collective characteristic of its own. I believe the one quality that makes you unique is your willingness over the past three years to be objective and pragmatic concerning affairs of the school, willing to sit down and discuss the question "What can we do about this problem?" The way you handled the question of smoking last November stands out in my mind. I am sure that you will continue to work in this way and our society will be better for it.

SENIOR CLASS

# SENIOR CLASS COUNCIL — 1974

by Betty Young

This year Senior Class Night was held on June 7, 1974 at the Crystal Ballroom of the Edmonton Inn. This evening included a semi-formal banquet and a dance with music by "The Better Days". Photographs were taken by the school Photo Club. The event was accomplished as a result of the hard work and planning of the members of the Senior Class Council and sponsors, Mrs. Baker and Mr. Fysh.

"Much We Know, But More We Dream" was the main class theme this year, with two sub;themes being "Keep a Place in

Your Life for Magic" and "We live in the present, we dream of the future, and we learn eternal truths from the past", by Madame Chiang Kai-Shek.

This year the class gift consisted of two parts, a silk-screen print of Edmonton skyline by Weber and rose bushes outside of the principal's office. We hope this gift will provide a memory of the graduating class of 1974.

This fall we would like to invite all the graduating students to return to the school for the Graduation Exercises. Let's make that a date and a very special event for all of us.

## VALEDICTORY

Emotions always run high on graduation day, as everyone begins to reminisce. Delving back through the haze of books and learning, our clearest memories are of the people we met and the friends we made. Together with our fellow students and teachers we explored the many facets of knowledge and now together we begin to dream out our tomorrows. Included in our wishes for the future is the hope that we may carry on the fellowship we have felt these past twelve years.

We stand together on the threshold of a new beginning. We must go forward from this time as individuals prepared to meet the future with a smile. In this, our memories will become our most valuable allies. The future will be our guiding light, but the present is where we must live, solve our problems, shed our tears and experience our joys.

Through the years, we will cherish the friends and acquaintances we had in this school. Each of them will hold a place of value in our hearts as we recall our carefree days of youth and laughter.

Though our feelings toward our teachers are not always quite so charitable, we will always be indebted to them for the time and experience they have employed on our behalf.

And above all, we will never be able to repay our parents for loving us so dearly and giving to us so freely. We will still seek their help in the years to come but our graduation marks a turning point. From this time on, we will be increasingly more independent.

The theme chosen by the Senior Class is "Much We Know But More We Dream". It seems fitting that we are gathered together with the people, our parents, friends, and teachers, who have given us the basis of wisdom and knowledge necessary to dream our dreams.

*Keep a place in your life for magic*

# CLASS OF '74

As we near the end of our stay at Jasper Place Composite, we look back and say "Thank God for small mercies and are we glad to leave this place!" And it's true — we are glad to be getting out. But to be perfectly honest, we leave with mixed emotions. We're happy, no. ECSTATIC to be finished with this grind. We are eager, albeit nervous, at the prospects of shedding the cloak of juvenile security and accepting that of maturity.

Yet, as we prepare we look back with a certain sadness. We remember all the good times and all the "interesting" experiences we've had.

Remember with absolute clarity that first day at J.P. and walking into the school via the main rotunda, looking for the East Gym, where we were to get our time tables and I.D. cards. I couldn't find the gym. I must have made twenty circuits of those halls looking for it.

The only thing that kept me from hysteria was that every circuit I saw the same group of people walking in the opposite direction looking for the same place.

At last I found it, more by accident than design. "Aha!" I congratulated myself. "Clear sailing from now on." Little did I realize that I had to go back to those halls to begin the "great locker mystery" and "Where, oh where can locker number 5,003,199—1350 be?" I think the only thing that kept us from starving to death were the St. Bernards with care packages that Mr. Meyer had so thoughtfully sent through the school for just such emergencies.

Somehow we survived the terrors of "being frosh" and for a fee of \$8.00 and some odd cents we were accepted into the Students Union.

After we had located our classes we discovered we could miss one and get away with it. Unfortunately, most of us went too far and discovered, belatedly, that they had given us just enough rope to hang ourselves. How come our teachers never told us about the letter home after five absences? Or maybe they did, while we were skipping.

The football season that year had to be seen to be believed. We had never experienced anything quite like it before. The action, the violence! The Blood! And every once in a while taking a peak at the field to see how the game was going.

To provide energy to continue our strenuous routine, we found to our surprise and pleasure that we had access to all kinds of candies, both from the Bon Marche and from the candy machines (commonly referred to as the no-arm bandits) and, wonder of wonders, we were even allowed to eat the candies in class providing of course, we didn't munch our crispies too loud.

We also discovered that we had a student lounge, furnished with chesterfields, chairs, big cushions and coffee tables. For some reason however, some people delighted in destroying the furniture and no sooner had we discovered the lounge than this privilege was denied us.

By the end of the year we were all looking forward to the summer with great plans for it. What happened? No sooner did we get started but we were back in school.

Seasoned veterans now, we knew what to expect and were ready for it.

Despite having survived grade ten we still viewed the administration with fearful awe. After all, the only time we saw them was when they were trying to get us into class or out of school.

The lounge opened again for a brief period. I say brief because it was obvious the furniture still attracted vandals. It was shut down again in a few weeks.

Several new activities were introduced in grade eleven: the alumni games, powder-puff football and grease days were three of them. We also said a hearty farewell to senior class car washes, as the one that year cost more than it made.

Yes, grade eleven was a good year, and in no time flat it was over. (Editor's note: they are not long the days of the wine and roses.)

Summer and its joys were upon us once again. So many things to do and so little time to do them in. The two months felt like two weeks.

We all felt older as we walked through the halls last September and realized with a start that all these new faces running about the school were looking at us fearfully and, if they knew what was good for them, respectfully.

For some reason not too clear to me the administration decided to open the lounge again. I personally found it rather depressing going up there and seeing the ghosts of chesterfields past, the wrecks of chesterfields present and the hopes of chesterfields future floating past me (no hope). Once again it was closed down.

Our last year here will go down in history as the "year of the fire". Looking back we can say "maybe the fire was for the best". Aside from getting half the day off, 50% of the students quit smoking for four days. The majority of the students banded together in co-operation with the staff in an effort to clear up the situation regarding smoking.

## Class History

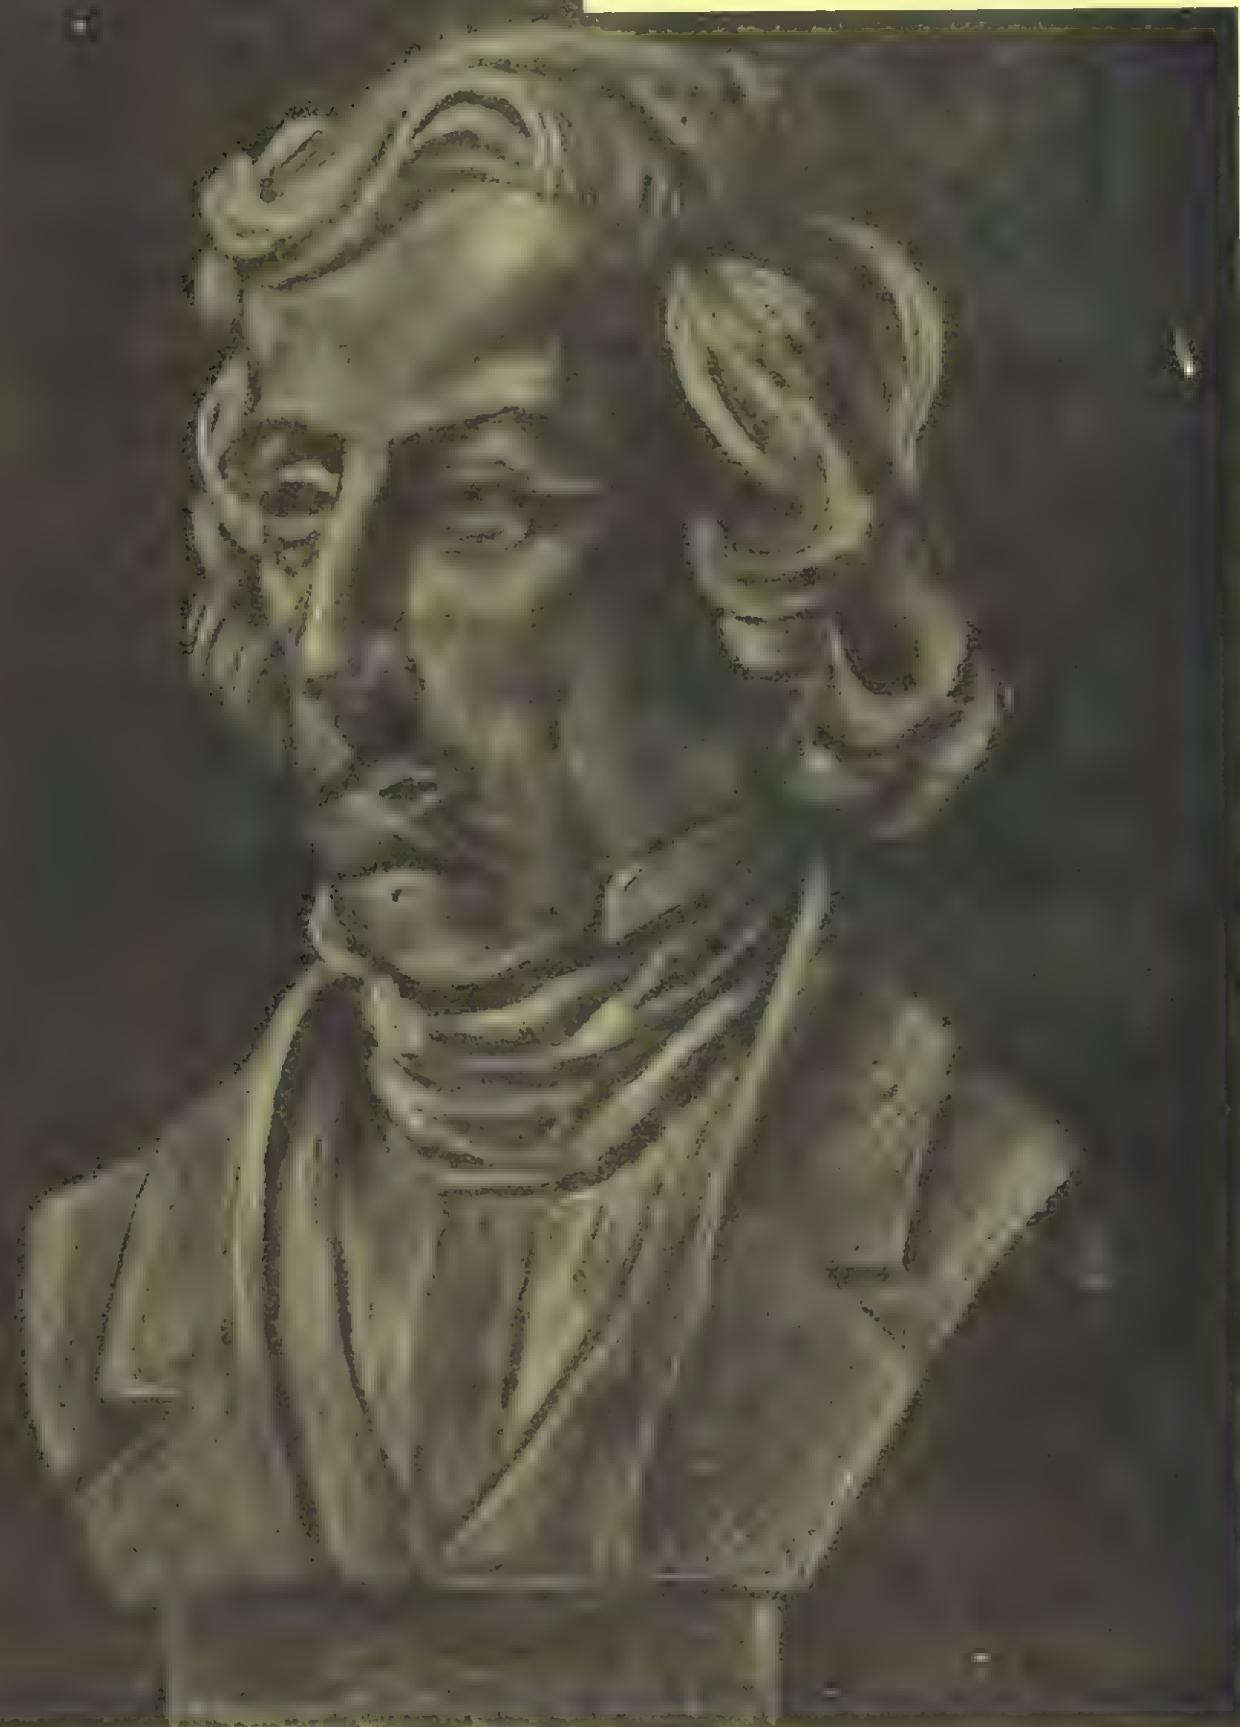

Continued from page 22

The rest of the year went rather quietly with the exception of one or two highlights, these being the second annual grease day and tonights celebrations.

This evening represents the culmination of twelve years of academic (and other) endeavours and is our way of saying "thank-you J.P. for all you've done for us. We will never forget you."

Thank you  
Rickard Ostashower  
Class Historian 1974

A lot of work has gone into this edition of the ECHO.

We would like to thank the sponsors, Mr. Mathew and Mr. Gerritsen and the students of Graphic Arts for their help in putting out this publication.

We would also like to thank the Art Students for allowing us to use their work for the divider pages, the students who helped to assemble the ECHO and the Minilites for the candid photos used throughout the publication.

A special thank you goes to those students who had to have their photos retaken, for their time and patience.

Without all this cooperation the job of producing ECHO '74 would have been a much larger task.

During the past year the Senior Rebel Band enjoyed its usual activities. As well as playing five concerts we were kept busy marching for the Edmonton Eskimos home games during the fall. The Christmas season held a nice break, with only one concert, but, with the onset of festivals, we had a lot of work to do. This paid off, first at Westlock where the Rebels were chosen as the best overall band. The next festival on our list was here, the Kiwanis. In it, we received a mark of 92 for our Grade Six classes, winning it. We also played in the Recital Class, receiving a second 92. This led us to Banff, where we topped it off with a mark of 91 which won us the Father Leo Greene Trophy for best school band in grades 4, 5, or 6. In addition to this our mark won the Cardston Music Trophy for best band of the Festival. As you can see, the year was very successful and the band kept its winning tradition.

# DRAMA AT J. P. MARKED BY INNOVATIONS AND CONTINUED SUCCESS

Looking back over the past year of Drama productions, one can recall the very imaginative staging of *CROW*, the opening production in November; the production of *SNOW WHITE AND THE SEVEN DWARFS* by the Drama 30's for the feeder Elementary schools, and a bigger and better One-Act Festival which culminated in a successful student-directed play which represented Edmonton in the Provincial Festival at Banff.

To look at the entire Drama picture one would have to start back in June of last year when some very enthusiastic students produced a fascinating show called *MacARTHUR PARK*. The play included dance, monologues and dialogues about people and their dreams and conflicts. The purpose was to raise money for a depleted Drama fund and to those people we say *GOD BLESS*.

Without doubt the most challenging effort ever attempted at J.P. in years had to be the poetic Drama of *CROW* by Ted Hughes. This was a series of poems put to movement, speech and songs. It was a combined effort of the Choral Music and Drama departments which could pave the way to future Musicals — long time absent. The poems were about a man and his universe — his struggle for irrepressible life. A harsh but sensitive view of the destructive reality we inhabit, *CROW* was costumed in black tights, painted feathers on a cloth cape with beak-like masks. Movement for the production attempted to depict the theme of each selection. To all members of CAST, and CHORUS a memorable attempt at portraying the works of a poet far ahead of our times.

For many students the year will be remembered by the Children's Theatre production of *SNOW WHITE*. It will be remembered not for the fact that they got dressed up like dwarfs or kings or clocks or trees, but it will be remembered by the magnetism of acting for children. They came in droves and for a while in December the halls of J.P. looked like an invading army of little people. They screamed and yelled at the wicked Queen, pleaded and coaxed Snow White not to eat the poison apple and chuckled at the happy dwarfs and absent-minded King. For the actors it was a lesson in concentration and absolute truth in acting. After the play actors and children met informally to chat about the play. There is nothing in art that can match the total involvement of children and we at J.P. are planning more Children's plays for en-

tertainment and education. "If adults could only retain the make-believe involvement of children. Though there was no major "YEAR PLAY", the Drama Department undertook a major step forward in staging four one-act plays that played for two weeks in repertory. Two of the plays were student directed, two were by Canadian authors and all together they involved over thirty drama club members. *MOONCALF MUGFORD*, selected by a panel of three teachers to represent J.P. at the city festival went right on to the provincial showing in Banff and gave a solid performance exemplifying J.P. as one of the stronger Drama departments in Alberta High Schools. Credit for this sterling production has to go to BOB BIRCH and his cast and crew for steadfast acting and technical prowess. Director Birch and actor BRIAN BRAIDWOOD, who played the mysterious recluse of the title, picked up extra laurels by being awarded scholarships in recognition for their hard work. All J.P. was fascinated by this play.

Rounding out the one-acts we saw the comedy of two lonely ladies that took to selling spiked lemonade as a diversion to their empty lives in *LEMONADE*. BETH STEWART, her cast and crew can be proud of sustaining a difficult play at the quality as was presented on the J.P. thrust stage. *GROANIN' BOARD* was just pure hillbilly fun concerning grandpaw's preparation for death, the attitude some people take towards work and the desires of poor folks. A highly comic piece, the play will probably be remembered for the coffin that fell apart, breaking not only itself but everyone on stage — a memorable romp. *THIS TRAIN* brought more nostalgia and pity amidst its portrayal of Rose, the station master's wife and Billy, an all round small town flunkie. Set in a small Saskatchewan town, the play dealt with the effects of betrayal between two seemingly trustworthy friends. The play was a "tough nut" but the promise warrants a look at more Canadian authors.

It cannot be forgotten how the students of J.P. gave such dedicated support for the plays both in evening performances and during class time when teachers and students overflowed the friendly setting of the yet unnamed J.P. Theatre. It must never be forgotten that one half of theatre is the live audience; J.P. students have proven to be both avid and knowledgeable. We in the Drama department thank you all and hope your memories of '73-'74 will be richer by the plays, scenes, and skits as presented on the Drama area.

**WAS SHE SOWN OR WAS SHE REAPED** by J. Gounod Campbell

... a Drama 30 Melodrama

PLUS

Many class scenes presented for noon-hour entertainment

**WAS SHE SOWN OR WAS SHE REAPED?** became the Spring Semester Drama 30 production. Set in a Victorian drawing room, the melodrama was complete with a wicked squire, weedy hero, winsome widow and willing daughters along with a few other misplaced characters. Pictured above are members of the cast and crew; Front row left to right: TERESA BROOKS as Mary Rows, IRENE TOMA as Candy, JUDY PEARSON as Matilda, PATTY JUTHNER as Augustine, and WAYNE HUGHES as Henry. Back row: LIESA SEGELKE, props, DORA STRASDIN, sound and choreography, BOB BIRCH, special effects, and lighting, GAIL HUME special effects and lighting, and WAYNE HUGHES as Bastian. The body in the back centre is one of the misplaced characters. Missing from the photo are LILY LOCK costumes and TRUDY NEWMAN publicity and prompter.

BRIAN BRAIDWOOD received high praise from adjudicators for his outstanding portrayal of John Mugford. JUDY PEARSON who played John's wife, Etta, also proved herself to be an actress of great sensitivity. In the above photo, John tells Etta of all the beautiful things in the world that most people take for granted.

BETH STEWART, centre, became the second student Director in '74, and produced a very spirited "LEMONADE". Cudos go to the two actresses, GAIL HUME, left, and HEATHER WATSON, right, seen here pouring Beth a sample of their delicious lemonade. The play had many comic situations which were handled extremely well by Gail and Heather — a fond memory of a very delicate show.

THE ABOVE BYSTANDERS were part of the DRAMA CLUB members that made it all happen in '73-'74' To the graduates we say, "Good luck and come back to visit", to the undergrads we say 'Keep up the good work'.

AFTER THE SHOW actors and children became one large mass of humanity mingling, talking, getting an opportunity to meet each other. For most children it was their first experience at live Theatre. For all the actors it became an experience they'll never forget.

THE FIRST CANADIAN play selected to tread the J.P. stage was given credible performance by LILLIAN LOCK, as Rose and GRAYSON SHERMAN, as Billy in Kenneth Mitchell's play "THIS TRAIN". An authentic small Saskatchewan train station and trappings helped to establish the mood of rural loneliness. From the success of this play, the works of other Canadian playwrights will be given in future One-Act Festivals.

CROW became a cooperative venture in creating visual meaning to poetry. Pictured above but hardly recognizable in the opening number of EXAMINATION AT THE WOMB DOOR we have foreground; WAYNE HUNTER, centre platform, ARDEN OSBORNE, left to right, BETH STEWART, LEIGH HUSHAGEN, LILLIAN LOCK, MIKE GLOSSOP, IRENE TOMA, in white, STEWART BENTLEY, KEVIN GIESE, and SHARON KERSHAW. Crow is man and was revealed in many of the stark realities that have confronted man and his universe in the past and anticipated future.

A MAJOR STEP into Children's Theatre was made with the Fall Semester Drama 30 production of SNOW WHITE AND THE SEVEN DWARFS. Performed to full houses the play gave over ten performances which included most of the Elementary grades in the J.P. area. Pictured above are all the characters.

**Back row:** BRIAN BRAIDWOOD (Prince), VERN SHELBY (Weepy), MIKE GLOSSOP (Skully), MARGARET ELLIOT (Hoot), JIM JOHNSON (Echo Echo), DICK McNEIL (King)

**Middle row seated:** DARLENE PANCIUK (Hickory), BONNIE PARKER (Dickory), MARY FITL (Doc), **Kneeling:** BOB ASTLE (Curly), KAREN BROWN (Little Banjo), LESLIE PLATTEN (Queen)

**Front row standing:** NOLA CORSCADDEN (Tillie), **Seated:** KIM KOCH (Bonny), JUDY PEARSON (Bunny), STUART BENTLEY (Primrose), GAYLE MELNYK (Snow White), LIZ McARTHUR (Dim Witty) and **Foreground:** LEIGH HUSHAGEN (Time)

HIGHLIGHT of SNOW WHITE was the dance of the BLACK FOREST. Here Dim Witty (LIZ MacArthur) and Snow White (GAYLE MELNYK) huddle together in fear of the looming trees that helped to create an atmosphere of fun and spookiness through movement, sound and gesture. Through all the bark and branches are actors BRAIDWOOD, McNEILL, KOCH, BENTLEY, PEARSON, and CORSCADDEN doubling from their human or animal roles.

MOONCALF MUGFORD represented J.P. in the Zone 8 Festival and was eventually selected to represent the Zone in the Provincial Festival at Banff. This marked the third year in a row that J.P. has represented Edmonton High School Drama at the Provincials. Pictured on the set are members of cast and crew:

Front row: Bruce Braidwood (lighting), JUDY PEARSON — Etta Mugford, Kim Koch — Mrs. Lowell, BRIAN BRAIDWOOD — John Mugford

Back row standing: Kevin Mills (offstage voice), P.J. Rosenzweig (offstage voice), Heather Watson (special effects), LANCE HOMENIUK — Caleb Orne, Stuart Bentley (sound), BOB BIRCH — Director and Designer, NORINE DOYLE — Stage Manager, LEIGH HUSHAGEN — Tabby Pipp

ST PLAIN FUN was the objective of the hillbilly setting of J. Gounod Campbell's play, 'THE GROANIN' BOARD'. In the photo we see the "goods" arriving with STUART BENTLEY as Ephriam, KEVIN LELAND as Eli, CARLA NOLAN as Abigail, RANDY AUDELL as baby Abel in dog house, BRUCE BRAIDWOOD as Nathaniel, ARDEN OSBORNE as Pa, RAYNE HUNTER as Jeremiah and JAN MITCHELL as Ma. The play gave each actor the opportunity for broad character acting.

The swaying of Etta to John Mugford's way of seeing things was the main action in MOONCALF MUGFORD. In the photo we see two of the images personified in Tabby Pipp (LEIGH HUSHAGEN) at left being revealed as a harried housewife; and Caleb Orne (LANCE HOMENIUK), background at centre, drowned seaman. John Mugford (BRIAN BRAIDWOOD), foreground, and wife Etta (JUDY PEARSON), right, now see life from the same point of view — raising the question, who are the sane people in the world?

Late in March 1974, the student singing in Mixed Chorus and Concert Choir wanted to form a choir to sing pops or up-tempo music. Drums, rhythm guitar, bass guitar and piano provided accompaniment. The Swing Choir performed more than a dozen concerts during March and April. The choir will continue in upcoming years at J.P.

## REACH FOR THE TOP

After five years absence J.P.'s Reach For The Top Team returned to the TV Show. In our first year we managed to knock out Ross Shep. We lost out to O'Leary who went on to win the Alberta Championship; however, we gave O'Leary its toughest competition and scored more points against them than any other team.

Next we hope to go on to better things

This year the photo club had about twenty active members. The sponsors are Mr. MacKeage and Mr. Warhaft. The club has an all girl executive made up of Sharon Bradley — president; Anita Jowett — vice-president and Lilas Beck — secretary-treasurer.

The Photo Club has been quite active this year. We have gone on a number of field trips shooting at Emily Murphy Park, pictures of Christmas lights and night shots of Edmonton from the top of the A.G.T. tower. We also visited a photo display the Professional Photographers of Canada produced at the Centennial Library. The club also visited Cantilon Studios to see a professional studio.

The club has planned two additional field trips for the month of June. One is to the Game Farm. Like others it is a weekend field trip in affiliation with the environmental study field trip to take place on June 1st and 2nd.

The club held their annual photo contest on March 1st. The results of this contest are produced on the following pages.

In the school, the photo club has taken pictures for the modelling club and will this year, as in the past, shoot pictures at the Grade 12 Graduation Banquet and Dance.

All in all, it has been an active, successful and enjoyable year for the members of the photo club.

**BOYS TEAM** — Wade Church, Larry Laurie, Don Alexander, Gord Rutherford, Gerald Whiteside, Gary Campbell, Bruce Duvander, Dan Laurie

JP curlers managed to put in another successful season in 1974 and there is a distinct possibility that the curling scene will be bigger and better next year.

A new format for the senior boys zone playdowns allows two teams to compete from each city high school. This will mean that junior boys will be given the opportunity to compete and gain experience against the best high school curlers in Canada. JP's senior team skipped by Wade Church captured

one of the six city zones once again this year. Wade, Larry Laurie, Don Alexander, and Gordon Rutherford drew Rob King in the first round and lost a tense battle that went down to the wire.

The junior team with Gerald Whiteside at the helm managed to win a couple of important games and Gary Campbell, Bruce Duvander and Dan Laurie said that they would be around next season for another try.

Our girls team was composed of Sharon Balfour, Leslie Alexander, Lori Alexander, and Lorene Manning. The girls played some good games and even gave an ex. Alberta champ a run for her money.

It looks like curling is here to stay at JP and we are going to keep working towards a Canadian champ from the Rebel camp.

The 1973 football Rebels and their coaches were involved in their first year of competition. With primarily a "rookie" team an attempt was made to incorporate the best of the previous year's football programs. The results hopefully warrants the continuation of the enthusiasm. Even by traditional standards the Rebels enjoyed a good year. They obtained a Victoria Cup win over Joe's, St. Francis and Queen Elizabeth, losing to McDonald, Ross, Diefenbaker and O'leary. Their five and three record enabled them to finish fourth in the nine team league. For next year nothing but optimism. Robert Koch was selected to the 'ALL CITY' team, the outstanding back-fielder was Brady MAYSON, the outstanding lidemen was Don GOCERIA. BOB KIEHLBAUCH was acknowledged for his contribution to the 73 Rebels, while receiving little recognition.

The 1973 Junior Football team developed into the most powerful junior squad seen at Jasper Place in the last four years. After having lost the season's initial encounter, they continued undefeated into the city finals. Unfortunately this game was lost to one other very strong city team who went undefeated their entire season. With many of the team members graduating to senior football in 1974, Jasper Place should field another very strong and competitive team.

# SENIOR GIRLS' VOLLEYBALL

Front Row (L. to R.): Patti Christensen, Leslie Gosche

Back Row (L. to R.): Mrs. Davis (Coach), Shelly Betts, Dianne Halkow, Karen Zaitchuk

Missing: Shauna Morgan, Jan Mitchell, Barb Olsen, Carol Christensen, Elaine Crowell (Captain), Gloria Mehedyn, Donna Kobewka (manager)

Jasper Place Senior Girls Volleyball Team did very well this year, losing in the quarter finals to M. E. LaZerte. They came out of their league in second place with twenty-five points, went through first round of finals without a loss and then lost four games in the second round. The team was made up of six rookies so we should have a good team next year.

# JUNIOR GIRLS' VOLLEYBALL

Front Row (L. to R.): Janice McRae, Lynda Morgan, Sandy Allen, Cindy Moro

Back Row (L. to R.): Angie Meyer, Marilyn Kachuk, Linda Elder, Janice Betts, Lori Martin

Missing: Marsha Brook (Coach), Janice Betts, Sherry Sandwith

The Junior Girls made it to quarter finals this year. The team truly excelled in their skills and although they began the season as individuals, they finished it with some beautiful team performances, outclassing many of the higher placing teams. The Juniors were a great group to work with, and they maintained a high standard of sportsmanship and good fun throughout the season!

# JUNIOR BOYS' VOLLEYBALL

Front Row (L. to R.): Rick Hart, Tom Melnyk, Don Gosche, Dennis Bugiak, Mr. Von Schilling

Back Row (L. to R.): Rob Norris, Rob Saunders, Stewart Young, Grant Glowicki, Kevin Dotinga, Tom Norris, Ross Ennion

Missing: Kent Kates, Kevin La Branche, Pat Johnson, Dave Huggett

The Junior Rebels were placed in "B" Division of the Junior League because of the Senior Rebels finish in the preseason tournament. The team finished an easy first with a 34 - 8 record. As a result of their top finish the Rebels gained a bye in the first round of the playoffs. They then defeated O'Leary in the quarter-finals before losing to the eventual City Champions from LaZerte in the semi-finals. This concluded a very successful and most enjoyable season for all concerned.

# SENIOR BOYS' VOLLEYBALL

The Senior Rebels did not enjoy a successful volleyball season. Their play in the preseason tournament placed them into "B" Division. There the team finished fourth with an 18 - 18 record. The team's lack lustre play continued in the playoffs where they were eliminated in the first round.

Although our weightlifting team consisted of only five members these individuals worked hard throughout the entire academic year and won the city weightlifting championships on the virtue of 3 first and 2 second place finishes. With a new training room and improved equipment the future of this team looks very promising.

# SENIOR GIRLS' BASKETBALL

With two veterans and nine rookies, the Rebels set out in defence of the Provincial Championship of 1973. After one round of play they advanced into the "A" Division, and from there into the playoffs. The team was defeated in the semi-finals by St. Francis Xavier.

Thanks to the coach, Miss Schweitzer for a good season.

# JUNIOR GIRLS' BASKETBALL

Back Row (L. to R.): Miss Brandenburg (Coach), Janice Betts, Monica Zieper, Angelica Meyer, Marnie Edgar, Cindy Moro, Barb Paterson (Manager), Mrs. Steubing (Assistant Coach)

The 1974 Junior Girls' basketball team had a very enjoyable and successful season. The Junior Girls were first in their league but unfortunately in the semi-finals J.P. was defeated by O'Leary who later became the City Champions. Special thanks to Miss Brandenburg for a great season.

# SENIOR BOYS' BASKETBALL

"Senior Rebs 73-74"

J. B. had started to coach from the start  
But a hernia at Christmas had upset the cart  
Then up from food prep, with a bun in his hand  
The big dude chef then took command  
In the league the Rebs came out quick  
Much to the pleasure of their coach Dick  
All players were consistent and playing well  
But after the first three their playing went to hell  
They lost to O'Leary and then to Ross Shep  
DeKlerk thought of leaving, going back to food prep  
They travelled to Red Deer to play in a tourney  
And they lost two more, it was a wasted journey  
They came back disgusted, and mad at themselves  
Ready to put their uni's back on the shelves  
They started the "B" division with plenty of hope  
But they lost two more and started to mope  
The season looked over as St. Joe's took the floor  
But the Rebs came on and blew them right out the door  
The tide seemed to turn as the Rebs came back  
And they won five more, they were getting the knock  
The "B" league ended with the Rebs in second  
March was here and the playoffs beckoned  
They played against Eastglen who'd beat them before  
But the Rebs were ready and chalked up one more  
Then came Scona, number three in the city  
But the season ended as the Rebs played terrible

Lead by an airtight defence and an omnipotent offence, the REBELS extended their victory streak to 46 games and won their second consecutive League and City Championships. MacNally, in a repeat final of last year, fell victims again as the REBELS climaxed their season by a score of 50-42. In Red Deer, a Calgary team (56-27) and Red Deer team (58-29), felt the wrath of the REBELS as they captured the Lindsay Thurber Invitational Trophy. Size, ability, speed - but mostly finesse and desire were the key factors to this superlative performance.

J.P. swim team had a fantastic year winning three trophies to end off the season in flying colours. J.P. has now been city champs for the past few years.

The J.P. girls won the M. E. McKay Trophy with a total of 936 points, 74 points over the closest opponent.

The J.P. boys won the T.D. Baker Trophy with a grand total of 857 points, 109 points over the closest team. This is their sixth consecutive year holding the trophy.

And, for the fifth time J.P. won the James Crockett Aggregate Trophy with a total of 1793 points.

The R.A. Routledge Award went to Bonnie Doon Composite High School for the most improved team.

Thanks to our team sponsors Mrs. Goeson, Mr. Speakman and Mr. Schultz, our team captains, Ron Janzen and Leslie Preston, and all members of the J.P. swim team, we had a real winning year. It looks like a strong team for next year, too!

The girls' gymnastic team of eight members proved that quality is by far better than quantity. The girls all made it to the City Finals and captured 15 medals plus numerous ribbons. From the team of eight, five went to Provincials in Lethbridge. The girls worked hard and it paid off. Jasper Place should be very proud of them.

Missing: John Westgate

J.P. had quite a successful year in 1973-74. The team placed second in the North Conference of the city league. The city finals were on March 29th and J.P. lost to Strathcona.

Three J.P. players made the city team for provincial competition at Red Deer. Patti Christensen and John Westgate placed second in Division A of mixed doubles. Vince Mai placed second in Division C of boys singles. Their efforts helped win the Provincial Championship.

The team sponsor, Mr. Gwillim, was very pleased with the player's conduct and performance, and enjoyed working with the team.

# SENIOR SOCCER TEAM

The Senior Soccer Team again gave it a good try. The team and calibre of play is constantly improving. The boys showed good sportsmanship even in some losing causes. All in all a pleasurable experience for all players. If the calibre of play keeps improving we will have a winner in the foreseeable future.

# JUNIOR SOCCER TEAM

Front Row (L. to R.): Larry Pipke, Sherlock Brown, Aaron Dreitkretz, Rudy Schmidt, Renny Dudas, Pat Johnson  
Second Row (L. to R.): Thomas Ryden, Danny Davie, Lance Walbaum, Dean Meek, Robert Lavesque, Dennis Barthel,

Missing: Jim Kumpula

The members of the Junior Soccer Team have always shown enthusiasm and interest in the game. They attended the practices regularly and willingly. This was not an easy task especially if we realize that practices took place almost every day after school. In many cases the players practised on their own during the noon-hours and whenever they had time-off.

The season started late because of the weather and resulted in our disability to improve the necessary skills as had been anticipated. Nevertheless, the team as an organic body functioned in a compensatory manner to minimize the deficiencies that were encountered.

It is expected that the players of this team who will join the Senior Soccer Team next season will be an asset to that team.
